

Dear Achiever families:

Thank you for honoring us by choosing Achiever Christian School for your child's education. We understand that the educational decisions you face as parents are crucial ones and it is our desire to do everything to come alongside of you and help you through this process.

The goal of ACS is to partner with families to help students reach their full, unique potential. We believe that children are a gift from God, and helping them reach their full spiritual, academic, social and emotional potential is a privilege. We pride ourselves on being an institution that values the individual thinker, knowing that God created each of us uniquely and yet in His image. Our staff is comprised of loving men and women who will creatively and thoroughly guide your children on their path of learning.
